NEWS LETTER NOVEMBER 2015

Following the annual general meeting at the Aston Fields Social Club, this newsletter brings you up to date with the changes to the Club Officers and the subscription rates to 31 December 2016.

We continue the offer of a discount of £5 to existing members making early payment of subscriptions by 31 December 2015.

Your subscription includes a levy required by England Athletics (EA)

Members will be required to pay a £13 levy to EA in order that they may compete and be covered for insurance at events. This levy has to be paid annually by the end of March and requires us to make decisions about current competitive members in order that we do not pay the levy for those who have ceased to train with coaching groups or who are not likely to rejoin the club in the coming year. The levy affects groups in differing ways:

- Current members are already registered with EA until 31 March 2016 and by paying full subscriptions now will mean they will be registered with EA until March 2017.
- New members who pay or have paid full subscriptions from October 2015 will also be registered with EA until March 2017.
- Non Competing Coaches and registered Volunteers do not pay the levy, Competing Coaches and Volunteers need to pay £6 to be registered for competition.

Subscriptions payable from 01-11-2015 for Current Members and New Members

Team Managers/Coaches

Athletes are now expected to provide their EA number for entries to events/races. Irene can provide a confidential and up to date telephone & e-mail list on request.

If you have any new members wishing to race please phone Irene with details as soon as they have given you their completed membership form and membership fee in order that they are registered with EA. Failure to do so may mean that athletes may not be eligible to compete in some events.

Forthcoming Events

Attached please find the Fixture List for the coming season.

Web Site

So that all club members know what is going on in our club, or if you have anything to say or report, please use the email address on the front web page to keep our web site active and us all informed.

To update Records please contact Dave Carney or Maurice Priestman (see below).

Training Safely

All Club athletes attending training sessions held on the track or road during the dark evenings **must** wear light-coloured or reflective clothing. You will then be more visible to your fellow athletes, vehicle drivers & pedestrians.

If training on the road please be careful – vehicles and athletes are not a happy mix!!!

Both your personal and your Club Insurance cover may be compromised if you have an accident at night whilst wearing dark clothes. Coaches are asked to remind their Group of athletes of the above rule please.

I look forward to seeing you at our forthcoming events.

Regards

Len Quartly, Club Chairman
